MR. SHAILESH KHAITAN

CHAIRMAN

Our vision is to create a vibrant centre of excellence, to create opportunities for the all-around integrated development of children suited for this era of convergence and globalization. Guiding the generation next in these turbulent times of confused values is a great challenge. Our team – the management, the administration, the teachers and all other members of the staff accept the challenge and we will do our best to guide them in the right direction.

MR. S.L. GUPTA

C.E.O.

Our aim is to equip our children with the qualities needed to lead a successful life in society. In order to do so, we follow a curriculum, which meets the needs of all in a manner that stimulates, challenges, excites and encourages each student to question and enjoy the opportunities available to them. At B.D.M. International, it is our constant endeavour to promote self-confidence and self-esteem in our children and to make them recognize the importance of human relationships based on understanding, tolerance and mutual respect.

MS. MADHUMITA SENGUPTA

PRINCIPAL

B.D.M. International fosters a vibrant and holistic learning environment rooted in values-based education. By blending academic excellence with practical learning, the school nurtures the overall development of every student. Supported by a dedicated team of educators and modern infrastructure, we empower learners with the confidence, skills, and resilience needed to excel in an ever-changing world.
